HOW DO YOU *BENEFIT?*

Bulk Sizes

Save even more as most products go from 750ml up to 25L.

Refills

Customers can purchase the small sizes & then buy the bigger bulk size of the same product to refill. Saving them money & preventing waste.

Quality

As manufacturers of product for other premium brands, we apply the same quality to our own brand - The Great Cleaning Company.

Competitive Pricing

As we are the manufacturers and do the bottling etc on site, we can pass on the retail savings to our stockists or customers.

Volume Based Prices

For high volume orders we can offer special deals.
